

Claverack Electric

Dry Hydrant Donation Request Form

To be eligible for the \$1000 dry hydrant donation, applicants must submit the following:

1. Completed Donation Request Form
2. NRCS Design Approval Letter
3. Copy of invoice or receipt from MES

Claverack will schedule a site visit once the form is returned and the donation check is available. The check will be presented to a member of the fire department at the time of the site verification (photo for promotional purposes will be required).
