

Claverack Heat Pump Rebate Request Form

To be eligible for the heat pump rebate, members must submit:

1. Completed rebate request form
2. Heat loss calculations (required if primary heat source)
 Check here if heat pump is installed for cooling/supplemental heating only and existing heat source is retained.
3. Copy of invoice or receipt

Claverack will contact you to schedule a site visit once all requirements are received and processed.

As a Claverack member applying for the heat pump rebate, I understand that it is my responsibility to submit all required information and schedule the site visit for proof of operation. I have considered the installation and operational costs associated with heat pumps. I take complete responsibility for the sizing, installation and operation of the heat pump and will not in any way hold Claverack responsible for the performance of the heat pump.

All product warranties are limited to that of the manufacturer or installers. The Cooperative provides no warranties of any kind, expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose; the Cooperative will not perform warranty repairs of any kind. The Cooperative is not responsible, and will not be held liable for special, indirect or consequential damages including injury or damage to property or person, whether in contract, in tort, under warranty or otherwise.
